Additional Instructions for mailing your package

- Ensure that there are no other tracking labels attached to your package. If you are shipping a non-hazardous item, completely remove or cover any hazardous materials markings.
- Affix the mailing label squarely onto the address side of the parcel, covering up any previous delivery address and barcode without overlapping any adjacent side.
- If your package fits in your mail box or a postal box, deposit your package for your postal carrier to pick it up. If your package does not fit, bring it to any Post Office.
- To find your closest Post Office or USPS Collection Box, visit the [USPS locator](#) or go to [www.usps.com](#) and select Find USPS Locations.
